

# Attention FDA

0091 '00 MAY -4 AIG:22

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam? *yes*  
*NO*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*DRIVING 100 miles to see HEARING specialist  
than getting one that DONT WORK RIGHT. they  
WONT do ANYTHING About it*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment? *NO*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*YES*
